Leading the path to AALAS certification!

Live interactive exam prep courses provide instruction, guidance and supplemental resources necessary to help you successfully sit for the AALAS certification exams. Lessons include handouts, discussions, videos, practice quizzes, and practice exams. Class webinars meet weekly via GoToTraining.com, allowing you to attend from any computer or mobile device with internet access. The sessions are recorded so if you miss a live webinar, you won't miss the lesson.

Materials Needed: AALAS Training Manual and Workbook, AALAS recommended study resources, a few hours each week to study, and a commitment to succeed!

Schedule changes: There will not be a summer session this year. The spring session will begin later than usual with all the classes starting late February or March. ***Fall classes will only be offered by request.*** Please contact me if you want to schedule a class for your institution, AALAS Branch, or group of individuals, with 5 people or more.

On Demand Options: All 6 courses will be offered on demand all year long. Please see website to register.
